In making this application I understand that:

A \$60.00 registration fee (\$80.00 for families) is due with each application. This fee is non-refundable and does not reduce the amount of tuition due. **Tuition is based on a yearly fee divided into nine (9) monthly payments due during the first five days of September through May plus a one-time supply payment equal to one (1) month's tuition. This one-time payment is due in August or before student may attend school.** My child will attend scheduled field trips and other school activities. Further medical and family information will be completed before class begins.
