In making this application I understand that:

A \$60.00 registration fee (\$80.00 for families) is due with each application. This fee is non-refundable and does not reduce the amount of tuition due. **Tuition is based on a yearly fee divided into nine (9) monthly payments due during the first five days of September through May plus a one-time supply payment equal to one (1) month's tuition. This one-time payment is due in August or before student may attend school.** I will make every effort to participate in the many parent-school events planned and take advantage of the family life materials made available to parents, knowing that during the crucial, foundational pre-school years, the support that the school gives to me will benefit my child at home, help strengthen my parenting skills and support the quality of family life for my child.
